

# Rust Aarhus meetup 2023-06-08

18:00: Welcome by Tue Henriksen

18:15: "When lifetimes give you lemons - an introduction to Rust lifetimes" and Q&A by Philip Kristoffersen

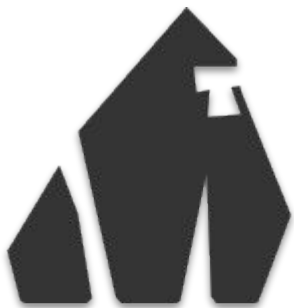

18:40: Light dinner sponsored by BRØLSTÆRK

19:25: "Sudoku solving with Rust iterators" and Q&A by Niels Kristian Skovmand

20:00: "Ansible in Rust" and Q&A by Mikkel Dueholm

20:35: Free play - bring your laptop!

~21:00: Thank you for a hopefully wonderful and rewarding evening. Feedback for the meetup will be appreciated.

BRØLSTÆRK

# Welcome

By Tue Henriksen

# Thank You!

Thank you for showing your interest in Rust Aarhus!

Thank you to BRØLSTÆRK for sponsoring this event!

**BRØLSTÆRK**

# Experience Levels

We are a big crowd with different backgrounds and experience levels.

Which of the following statements fits you?

1. I write Rust code more or less every week
2. I write Rust code now and then
3. I have never written Rust code, but it sounds intriguing
4. I am only here for the free food

# How you can contribute to Rust Aarhus

- Join the events
- Spread the word on social medias and on your job
- Give a talk - we need talks from all experience levels and everything from 5-45 minutes
- Ask your boss if he would like to sponsor a meetup - he will be given 5-10 minutes to talk

# Practical Information

- We have a code of conduct.
- Pictures for social medias will be taken during the event - please contact me before you leave if you don't want to be in the pictures.
- Slides will be available after the meetup if approved by the speaker.

# Who's Hiring

**Full Stack Rust Developers for web-based compliance platform**

On-site in Aarhus or Copenhagen - Rust, Typescript, React

<https://www.reddit.com/r/rust/comments/12tehic/comment/jlp8d1t/?context=3>
